A BiG thank you to all our customers who voted for us this year. Your vote tells us we are doing our job and providing a level of customer service and technical support you expect. We continue to strive to exceed your expectations. We have been busy in 2018 getting marketing efforts underway with our two newest agents. Innovative Building Systems representing the Bahamas and Turks Caicos BouwPlus who's territory is Curacao, Aruba, Bonaire and St. Martin. If you are looking for product in either country please contact them directly:

MOH

Fix Roof Leaks
 The **ONLY**
Liquid EPDM Rubber
 In The World!
 Not Sold In Stores

Why Liquid EPDM?

- Special chemical process allow cross-linking to occur where by the product will chemically bond itself to the substrate
- Waterproofs immediately upon application and will take ponding water 365 days a year
- Liquid EPDM rubber forms a 100% seamless membrane
- Withstands temperatures from - 40° to 300°F
- One coat application. **SAVE PRODUCT AND LABOR COSTS!**
- Liquid EPDM has proven itself superior to Acrylics, Urethanes and other elastomeric for up to **4X LONGER.**
